

Welcome-

At Souls Harbor Christian Academy (SHCA), education is a partnership between teachers and parents. We believe that no other individual plays as great and as valuable a role in a child's life as the parent(s). At SHCA, we feel that children need their parent's influence more than the influence of their peers or even their teachers. As educators, it is our purpose and privilege to extend our knowledge and guidance as we equip students to succeed academically and endeavor to develop Christian character. Our program is designed to encourage strong relationships between the parent, child, and the school. This strengthened relationship will help to provide a quality education.

-The Administration & Staff of
Souls Harbor Christian Academy

SHCA CHART OF COMMAND

Parents should not come to the administration until they have first conferred with the teacher to share concerns or resolve an issue. If a resolution cannot be found, administration will work with both the parents and the teacher to make the appropriate decision for SHCA and the student. The SHCA School Board, which is appointed by the administrative team, is utilized at the discretion of the administration in an advisory capacity in matters of policy, budget, and disciplinary decisions.

SHCA STATEMENT OF PURPOSE

The primary purpose of SHCA is to provide a godly environment in which a child can receive education.

We intend to help equip students academically to succeed in college, vocational school, and the workplace. Every possible attempt will be made to provide the best teachers, Christian-based curriculum, and facilities to accomplish that purpose.

Along with equipping students to succeed academically, SHCA will endeavor to help develop Christian character in students of all ages and cultural backgrounds. SHCA's staff will constantly strive to instruct, challenge and lead students to develop a Christian lifestyle.

Parents of SHCA students must realize that the school is not capable of parenting their students. The primary responsibility of parenting and training belongs to the parents.

SHCA is a partnership Christian school. Your child(ren)'s enrollment is based on the complete support of and the agreement with the rules and procedures expressed in this handbook. There are multiple areas of support that must be given by your family to attend SHCA.

AREAS OF SUPPORT

- *Partnership Instruction Support

Matthew 19:4 (KJV)

And he answered and said unto them, Have ye not read, that he which made them at the beginning made them male and female,

Mark 10:6 (KJV)

But from the beginning of creation God made them male and female.

- An evaluation and interview of the parents and student by school officials will be used in determining enrollment for each school year.
- SHCA Administration reserves the right to refuse enrollment for any reason that it deems necessary.

DISCIPLINE POLICY

SHCA believes that in every area of life, submission is essential for success. God demands and expects obedience to Himself, as well as to those He has placed over us. A well-enforced code of discipline is necessary to properly train children to be subordinate to authority and ultimately to God.

Hebrews 13:17

Obey them that have the rule over you, and submit yourselves: for they watch for your souls, as they that must give account, that they may do it with joy, and not with grief: for that is unprofitable for you.

At SHCA each teacher is given the liberty to enforce classroom regulations in the manner which he or she feels is in accordance with Christian principles and discipline as set forth in the Bible and/or this Handbook.

Discipline Procedures

- *If a student commits a major offense, he/she will be assigned detention, suspension, probation or even expulsion if necessary. The Administration and/or teacher will determine the seriousness of the offense in light of the student's previous conduct and attitude.*
- Discipline may also consist of verbal correction, writing sentences, or other corrective techniques.
- Major offenses include, but are not limited to the following:
 - Cheating
 - Continued disobedience after individual warning
 - Direct disobedience/defiance/disrespect to authority figures including but not limited to parental, academic, and spiritual authorities.
 - Dangerous horseplay
 - Profanity, vulgarity, vulgar gestures, or racially offensive comments
 - Stealing

○ Any offense mentioned in the SHCA Standard of Conduct section of the Handbook
Parents will be notified in writing or by phone if a student has met with the Administration for a major offense and disciplinary action has been taken.

ACADEMIC PROGRESS POLICY

- Any student who is enrolled at SHCA must complete the required amount of schoolwork for the academic school year. Otherwise, he/she may be required to attend summer school or be retained. This policy is to ensure that each student finishes his/her education in a timely manner. It is of utmost importance that each student completes all courses of study within the given amount of time to achieve a punctual graduation from SHCA. Failure to adhere to this policy will result in a delayed graduation from SHCA.

Mother: _____ Father: _____
We understand and support the Academic Progress policy.

P.I.E. – PARTNERS IN EDUCATION

- The P.I.E. program at SHCA is a partnership between teachers and parents. In the P.I.E. program, the parent(s) is responsible for oversight and instruction of some of the curriculum that a student completes in a school year. SHCA believes that no other individual plays as great and as valuable a role in a child's life as the parent(s). At SHCA, we feel that children need their parent's influence more than the influence of their peers or even their teachers.

Mother: _____ Father: _____

ACCREDITATION

- Accreditation of a private Christian school is not necessary for a graduate of that school to enroll in a college or university. Registrars of higher education institutions are interested in academic merits of individual applicants rather than schools. Each applicant’s academic aptitude is evaluated through nationally standardized tests.
- SHCA has fulfilled all requirements of accreditation and is accredited by the National Association of Christian Education in Orange Park, FL.

P.A.L.S. – S.H.C.A. VOLUNTEER PROGRAM

- In order to continually promote the fundamental partnership (P.I.E) needed for the success of our students, parents are expected to participate in SHCA’s volunteer program. P.A.L.S. (Parents Assisting in Learning Success) is the parent-volunteer program that has been instituted at Souls Harbor Christian Academy. This program is designed to encourage strong relationships between the parents, the staff and administration, and the school. This strengthened relationship will assist in the quality of education and services provided by SHCA.
- The P.A.L.S. program is based on a point system. A list of opportunities is provided for you designating assigned point values. You will be updated as new volunteer opportunities come up. Your household is required to accumulate a total of 10 points each year. Parents who are not able to fulfill the required number of volunteer points may jeopardize their child’s opportunity for enrollment the following school year.

The following list, which is updated periodically, will help direct you on how to satisfy your volunteer requirements:

Enrollment Interview	1 point/family
Parent-Teacher Orientation	1 point/family

Parent-Teacher Conference 1 point/family

All volunteer points must be completed and turned in by the last day of school.
